

Since 1968

President of the board - voluntary

What are we looking for?

A warm hearted and engaged team player with the ambition to make a difference for the underprivileged people in Singapore. Someone who wants to be the glue that holds the organization together, and can wear many hats as such.

Job Description

The president serves as the face and primary spokesperson for our organization, and is responsible for day to day management. Fostering collaborative relationships with external partners and charities that NCA supports is an important part of the job.

The board meets one morning every two weeks. You would spend at least another 4- 8 hours a week, planned at your convenience. Because of the flexible hours it combines very well with a part time job or family responsibilities.

Key tasks

- Day to day management
- Chair board meetings
- Foster collaborative relationships with external partners and the charities NCA supports
- On occasion

Additional joint tasks with the rest of the board

- Develop and organize fundraising events and activities
- Raise awareness among the international community

About the NCA

Netherlands Charity Association, NCA, is an independent and non-profit organization established in 1968, that offers support with helping hands and by raising funds for carefully selected charities and projects in Singapore.

Our mission is to give back to Singapore by supporting the people who are less privileged and fall between the cracks of society. With our foundations in the expat community, we bridge the gap between the expat community and the less privileged in Singapore.
